Additional Costs

Fumigant - **Contact your research coordinator for current fumigant pricing.** Freeze protection costs (row covers, poly pipe, sprinklers)

| <u>Turf and Ornamentals</u> | <u>Charges/acre</u> |
|------------------------------------|----------------------------|
| Annuals/Perennials (no fumigant) | \$2700.00 |
| Turf - High | \$9800.00 |
| Turf - Medium | \$4500.00 |
| Turf - Low | \$2700.00 |
| Shrubs | \$980.00 |
| Trees | \$720.00 |

Greenhouse

Greenhouse - \$0.19 per sq. ft. per month (6 month minimum charge)

These prices include normal crop production inputs, EXCEPT for crop seed or transplants, and experimental treatment materials. Acreage will be determined when crop is planted utilizing PSREU's GPS unit and includes alleys.

Billing Process:

Charges will be sent out to the attention of the faculty member and accounting personnel as a 1st notice status, then 30 days later a 2nd notice will be sent out with an additional 1.5% late fee. If payment hasn't been received within 60 days of the first notice a 60 day late notice will be sent including the additional 1.5% late fee and cc'ing the unit leader and dean.

Existing charges are to be reviewed as needed due to the continual cost increase of products used for crop production.
